

1 Corinthians 1:18

"For the word of the cross is foolishness to those who are perishing, but to us who are being saved it is the power of God!"

SIXTEEN13 APRIL-JUNE 2023 REPORT

The Meeting Place

Sixteen 13 Ministry, along side people and business in our community, helped to establish and plant multiple groups of different backgrounds to gather together and use the Meeting Place for Evangelical church services, nursery, prayer meetings, outreach program, youth program, a secondary Sixteen 13 Ministry Compassion Food Program in building relationships with those that are struggling and much more. Currently there are 3 different churches using the building.

Many volunteers and those using the building have helped renovate the inside.

The nursery is almost finished! We plan on adding Noah's ark themed wall art with a bunch of cute animals. Equipment needed for a nursery will also be added. The next step is a room for Sunday school.

Our volunteers are amazing!

Our accomplishments are not possible without our amazing team and volunteers. They have supported us through many events:

-Etherlan where we had tournaments for different games like Super Smash Bros, Mario Kart Racing, WarHammer and Yu-Gi-Oh! We are able to connect through these games and share the gospel message.

-Connecting with the Community while we speak in churches. Recently we were able to connect with the Garden Park residents and enjoy Faspa together.

-City Clean up where many churches and groups in the community work together to tidy up Winkler.

-Building the cross you see on the front page. It is a beautiful new addition to the ministry property to show the world that we believe in the truth of the gospel.

John 3:16

"For God so loved the world, that he gave his only begotten son that whoever believeth in him should not perish, but have everlasting life."

We were also able to spend time in training and fellowship with volunteers, presenting ways to share the gospel and offering a variety of programs for discipleship training.

Missionary Updates

Here's an updated picture of Pastor David's church development in Tehuacán, Mexico. The walls are up! Please, pray for David and his congregation as they grow together and reach people with the gospel. Also, Sixteen13 Ministry presented a need for Bibles in Spanish, Naught, Masateco (Aztec languages). Locally, an individual donated the funds to purchase a total of 1,300 Bibles. Praise the Lord!

Amanda and Amelia were able to purchase a new vehicle thank's to many donations. They are responsible for transporting the students to and from their school called, "Oak of Righteousness", as the families usually don't have vehicles available to them. It is also necessary for transporting the larger group during field trips or mission trips to visit Amanda's ministry in the mountains.

Sixteen13 Food Trailer

Recently Sixteen13 has received a donation to purchase a food trailer. The purpose of this trailer will be to help raise general funds and serving meals anywhere on the go and to get the privilege to see you and new faces. A big thank you to Winkler Plumbing and Heating and Boarder View Electric for working on our Food Trailer for our inspections.

We would like to thank Fehrway Feed's and The City of Winkler for hosting us in their events. They have been a blessing!

We have been approved to serve meals at the Harvest Festival in Winkler, and are waiting on confirmation from the Morden Corn & Apple Festival. We look forward in seeing you!

Congratulations to Cherry and Elmar for receiving their Canadian citizenship! God has radically changed their lives. Now they're planning on getting baptized. Please pray for their family as they continue to live for Jesus.

Thank you for your support!

I'm happy to say in every report that we have been greatly blessed. God is so good to us, and everyone's support has made so much happen in our community!

- Donations for the food ministry: Heartland Fresh Pack, Valley Bakery, Winkler Meats, Harval Homes, Big Ridge Foods and individual donors who help us feed many families each week within our community.
- Tempo for assisting with the furniture moving ministry.
- Local churches who have invited us to share what the Lord has been doing in our ministry.
- MCC for inviting us to provide an appreciation lunch for their volunteers.
- There are many more we could thank. Many individuals have made a large difference in our ministry and community. THANK YOU!

Praise and Prayer

This ministry has been blessed with meeting many people. God has been amazing! He has been there when we needed wisdom to walk in peoples lives, answers to prayer, and strength to deal with challenges.

We are looking for volunteers who are willing to build long term relationships with people. Training will be provided. Specifically we need people who are available Thursday evenings, to meet up at 5pm at the ministry property, pray, deliver food to families in need, building a relationship, praying and eventually sharing the truth of Jesus Christ.

Please pray for us as we grow. We are looking for people to partner with us financially. Would you be willing to partner with this ministry?
