There is a strong interest in deep Bible studies. We will increase our focus on teaching the Word of God and evangelism this year.

Halleluiah!

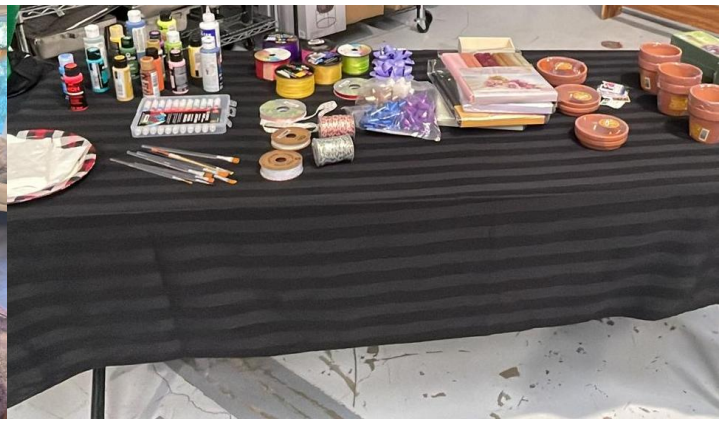

Galatians 2:19-21

"For through the law I died to the law so that I might live for God. I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave himself for me. I do not set aside the grace of God, for if righteousness could be gained through the law, Christ died for nothing!"

Diving into the Bible

Upon request, we have now started a bi-weekly Bible study with Filipinos in our community. Hallelujah! It was wonderful to hear about the topics requested, including salvation. Our team is encouraged to see others desire growth. We distributed 2 Bibles, and we can distribute more if anyone requests them. Tiffany has also started a young ladies' Bible study group that includes topical studies, character growth, and fun crafts. We look forward to see how these individuals will deepen their faith as they grow.

We can provide Bibles in multiple languages, including English, French, Spanish, Swahili, Russian, Ukrainian, Arabic, Portuguese, Tagalog and possibly more as needed.

Furniture Donations

A great team helped distribute donated furniture. Washing and drying machines, household goods, and other items were donated to help new immigrants get started in our community. Our goal is to assist anyone in need, as supplies are available.

Events

<u>July 3</u> – Brisket Lunch/Supper - @ the Bunker (545 Industrial Dr. Winkler, MB)

We planned a fundraiser for our team to travel to Mexico in 2027 to work with the Oaks of Righteousness school. The plan is to help with small projects and connect with the Tarahumara students. Amanda Wiebe is the director of this ministry, and we are excited to work together with them and their team. Come try some good food!

Morden Pop Culture EXPO

In May, we had a great time connecting with people at the Pop Culture Expo. We continue to host free games with prizes annually. We love to connect with the gaming community, both lovers of board games and video games. This gives us an opportunity to introduce Etherlan to them and share the gospel of Jesus Christ. At Etherlan, we will always share a devotional and about lives being changed through ministry. Free Christian material is always available at these events along with prizes.

Ministries Serving Together

Many Hands in Morden – We are very blessed to be working with Many Hands, intentionally reaching people with compassion and the gospel. We have been sharing excess groceries with them, and vice versa. This way, we can help each other meet the needs of families and individuals in need within our community. Love like Jesus!

Praise and Prayer

Thanksgiving

We are so thankful for those who make this ministry possible. We want to highlight Banman Meats, which regularly donates extra bones to the ministry. Families use these bones to make soups and broths.

Prairie Belle Greenhouse donated many vegetable plants. On the ministry property, we use the garden space to grow vegetables, which in turn help feed families in need. This year, with the abundance of tomatoes and peppers, we plan on having teams prepare salsas and sauces to can and give away.

Our leaders continue to share the gospel in churches, youth groups and schools. With school closing for the summer, our leaders will put more focus on Bible Studies and sharing the gospel. Recently, Harold shared at the Ukrainian Winkler Bible Church:

Paul is a great example of a transformation of the heart for Jesus in one's life. To follow Jesus means to go in His direction in every aspect of our life's journey. You can read more about Paul's story in Acts 26 and in the book of Romans. Living for Jesus is a choice. What do you choose?
