Sixteen13 Ministry

July-September 2026

ROMANS 12:12

"BE JOYFUL IN HOPE, PATIENT IN AFFLICTION, FAITHFUL IN PRAYER."

Etherlan at the Harvest Festival

Mario Kart 8, Super Smash Bros. Ultimate, and Settlers of Catan

Tiffany Krahn hosted the video game tournaments on Saturday at the Winkler Harvest Festival. There were 3 different age brackets for Mario Kart 8 and Super Smash Bros Ultimate (SSB). From each age bracket, participants could place 1st, 2nd, or 3rd and received medals and gift cards. There were also a variety of fun small prizes available for those who wanted to play for a shorter time with their friends.

Harold Espinosa hosted the Settlers of Catan tournament. A wide variety of ages participated, and they had a blast! Overall, we had a lot more participants in these tournaments this year. At next year's Winkler Harvest Festival, we plan to expand our gaming due to the large turnout. We will no longer host Settlers of Catan at the festival.

We also hosted a gaming tournament at the Morden Pop Culture EXPO again in September. This time, we introduced a Minecraft Parkour time trail!

Serving in the Community

Prairie Crossroads School Mission Trip

With a team of leaders and students, we are planning a mission trip to Puerto Rico to connect with Harold's home church. We will be doing door-to-door evangelism using training from Discipleship International's Equip to Serve (ETS) course. Tiffany Krahn, who completed the training, will be teaching this course with Harold Espinosa's assistance. Mission trips cost money, so we are planning several fundraisers with the school to raise these funds for the team. For now, the students and leaders have been helping with the new school project to raise funds. The youth worked very hard, and we are proud of them! Look out for future fundraisers.

Connecting with the Wave Church

Harold, Ivan (Director of Sixteen13 Ministry) and Peter (Director of "The God Who Sees Me" Missions) connected with members of the Wave church in Winnipeg. Their goal aligns with ours: providing hampers of necessities for those in need, sharing the gospel of Jesus Christ. Thanks to generous donations, we supply trailers of food and clothing for their hampers for about 600 families. The senior pastor said they are so thankful and blessed to have people who care. These donations will go a long way, and they look forward to a partnership with us.

Picking Corn

Steve, a generous farmer, donated some of his corn to Sixteen13 Ministry. Our ministry leaders gathered volunteers to pick the corn. We love to have so many cultures serving together. We ended with time for prayer in multiple languages.

Filipino Youth Game Night

We needed to unlock characters for the upcoming gaming events, both for the Morden Pop Culture EXPO and Etherlan. Tiffany did not want to spend every evening in the summer playing video games, so we decided to host a fun activity with fellowship and devotionals. We also spent some time playing board games. The youth had a blast!

S-HOP Shadow Valley Illuminated

We sold food at S-Hop's Pyro-musical event. Harold shared the gospel, and despite the crazy weather on Sunday morning, we still had an awesome show where Terry took the winning spot, using only Christian music for his fireworks choreography. The ticket funds support their ministry, which helps teens and young adults develop skills and fellowship in a safe, clean Christian environment. We hope to see you there next year!

Praise and Prayer

We are excited about prayer! We hosted a prayer night, which felt very necessary for those who attended. We plan to make this a regular thing now. Yes, we pray. We also have a group chat for prayer requests. Getting together with a large group and dedicating a large amount of time to the Lord in fellowship and prayer is still important.

> Matthew 18:20
> "For where two or three are gathered together in my name, I am there among them."

We prayed for the ministry, we prayed for each other, but we also need time to pray for our own struggles and items on our hearts.

Please pray for all of the youth that hears the Gospel in our community. We are passionate about equipping the next generation, and there may be some who haven't put their faith in Christ who get to hear the gospel.

Pray for our leadership who will be sharing the gospel in schools, churches and other parts of the community. We need spiritual guidance continuously.
